ROADMAP

THE API

THE API

This section shows the mobile application interface and its availability. On the left is a smartphone displaying the app's menu with items: Assets, Work Orders, Parts Inventory, Work Requests, Time Cards, Meters, Scanner, and Settings. Above the phone is a blue hexagonal icon with a white scale. To the right are three distribution logos: **Download on the App Store**, **GET IT ON Google Play**, and **Get it from Microsoft**. Below the phone, the text "(or sideload it if you are super hard core)" is visible.
